Mateusz Wrona

Lead Product Designer at Brightwave Studio

Kraków, Lesser Poland, Poland

Summary

Product designer who turns research into shipped interfaces. I lead a team of four designers and run the design system used by six product squads.

Experience

Brightwave Studio

4 years 3 months

Lead Product Designer

January 2023 - Present (2 years 11 months)
Kraków, Lesser Poland, Poland

Lead a team of four designers across onboarding, payments and settings.

Rebuilt the design system on tokens; six squads adopted it within two quarters.

Senior Product Designer

March 2021 - November 2022 (1 year 9 months)

Redesigned the checkout flow; abandoned carts fell by 18% in the first month.

Pixel & Co

Product Designer

June 2018 - February 2021 (2 years 9 months)
Wrocław, Poland

Designed mobile banking screens for two regional banks and ran 40 usability sessions.

Atelier Nord

Junior Designer

September 2016 - May 2018 (1 year 9 months)

Education

Jagiellonian University

Master's degree, Cognitive Science · (2013 - 2015)

Academy of Fine Arts in Kraków

Bachelor's degree, Graphic Design · (2010 - 2013)
